

... A Theory of Change is an organization's story of how the world will be different because of what it does...

Foundation of Alternative Educational Initiatives invites you to the “Theory of Change” Workshop

When?

Two alternative sessions, either on **Saturday, 25th of March 2023** (10.00 - 17.00)
or **Wednesday, 29th of March 2023** (10.00 - 17.00)
Both sessions will include lunch break

Where?

Modality / Location: On-line (Zoom)

For whom?

Anyone who wants to learn how to plan, design and measure social change/intervention.

Aims of the workshop:

- To provide activists with skills to envision and plan an effective social intervention through Theory of Change.
- To strengthen activists' ability to cooperate with European peers.

What will you learn at the workshop?

- ✓ How to define long-term goals, identifying influencing factors and the conditions that must be met to achieve these goals.
 - ✓ How to design the pathway of change.
- ✓ How ideologies, values, preconceptions, stereotypes influence the way change is meant to happen and how to make these conditions visible.
- ✓ How to write a narrative to be employed, among others, for advocacy actions.

How to enroll?

Please register to the workshop by the web form [HERE](#)
The participation is free of charge. Upon registration via web form it is possible to choose the preferred session (Saturday or Wednesday)

I am registering to the workshop!

The workshop is being organised within the JUST EU and ME project, funded by the European Union's Citizens, Equality, Rights and Values (CERV) Programme (2021-2027)
