

Experience certificate

To whom it concerns

The National Center for Environmental Justice certifies that the lawyer, Dr. Ali Salim Al-Hammouri was a founding member of the association from 2012 until the date of his withdrawal from the association corresponding to 9/1/2021

During his tenure, he held the following positions :-

- Secretary of the Society from the date of November 22, 2012 until the date of November 21, 2016.
- Treasurer of the Society from 12/1/2016 until 1/9/2021.
- Administrative Coordinator of the Environmental Empowerment Through Legal Empowerment Project - Towards Sustainable Environmental Justice, supported by the German Agency (GIZ) in cooperation with the Ministry of Environment (2018-2020).
- Coordinator of the first environmental justice debate tournament for Jordanian universities, which was held on February 13, 2020.
- Administrative coordinator for a number of the association's activities.
- Trainer in the project "Strengthening the Role of Civil Society Institutions in the Protection of Biodiversity through the Impact and Response of Jordanian Environmental Legislation in Conserving Biodiversity and its Compatibility with International and Regional Agreements" supported by (GEF) - (UNDP).

And based on his request, I give this certificate without any responsibility on the association.

Chairman of the National Center for Environmental Justice

Dr. Mohammed Eyadat
