BACKGROUND AND EXPERIENCE

Please briefly present the partner organization (e.g. its type, size, scope of work, areas of specific expertise, specific social context and, if relevant, the quality system used).

Our association was founded in Kastamonu, Turkey on June 10, 2013 by seven founding members. 'AKED' is the abbreviation of our association. The overall objective of our association is to make local and international projects, studies and activities related with education, culture and sport.

Vision (Goal)

Our goal is to create quality environment, mutual understanding and friendship by making educational, cultural and sport activities at the level of regional, national and European level.

Our mission is

-to activate of all types of education, culture sport and youth activities, to ensure the development of them and to encourage people and organizations working on this issue.

-to prepare national and international projects or participating in projects; to contribute to the development of the young people and adults' improving their professional skills, acquiring vocation, arts, sports, crafts, education, culture and science.

-to organize conferences, panels and courses by considering the needs in the field of education, culture and sport issues,

-to make young people take part in the management of all kinds of educational institutions and companies they work for and to ensure them to develop themselves and their creativity.

-to provide cooperation, solidarity between domestic and international youth organizations in order to make the young people more active in the issues of peace at home and world and in environmental and social development fields.

-to contribute to an increase in the level of education of all sections of society through training activities and sport.

- to produce educational, cultural and sport publications, conferences and activities.

-to make local projects in the field of social responsibility related with animals, nature and environment.

-to develop project ideas for NGOs, local authorities and private sector at local/ national level.

-to prepare and manage projects for NGOs, local authorities and private sector at local/ national level.

-to design and organize training programs, developing training materials for NGOs, local authorities and private sector at local/ national level.

-to establish project partnerships

What are the activities and experience of your organization?

AKED bringing together years of experience in the field of education and culture at local level as well as Erasmus+ program and international work. Our association organizes studies, projects and activities in the field of culture, education and sport. We hold these activities at the level of national and international level. We have great network either at national and international arena. We are very active social responsibility projects and we make awareness campaigns, seminars and activities to awaken people's consciousness level. We are very experienced at preparing and coordinating Eu projects every field.
