

CURRÍCULUM VITAE

Terrachidia: Cultural Heritage Preservation

Terrachidia is a program that promotes the Cultural Heritage as an architectural and learning model.

The Cultural Heritage is a crucial resource for the future, given its unquestionable educational, social and environmental value, its potential for local development and its important dimension in international cooperation.

PROJECTS

Entities: Chinguetti Commune - Agencia Española de Cooperación (AECID)

2019-2020

2019

18th Earth building and architecture workshop. Documentation and restoration of the ancient marabout of Sidi Abdullah Khalifa, *ksar* Ouled Youssef, Mhamid, Morocco

Building techniques: *adobe* (mud bricks), *pisé* (rammed earth) and mud finishings. Lime finishings and tadelakt.

October 2019

17th Earth building and architecture workshop. Documentation and restoration of the ancient marabout Sidi Abdullah Khalifa, *ksar* Ouled Youssef, Mhamid, Morocco

Building techniques: *adobe* (mud bricks), *pisé* (rammed earth) and mud finishings. Lime finishings and tadelakt

February 2019

Technical Project of the water supply and sewage network for the Ouled Youssef *ksar*, Morocco.

Technical project for the construction of the basic sanitation network. Improvement of the living conditions of the inhabitants at the Ouled Youssef *ksar*.

Funding entity: Club Rotary Madrid Majadahonda

March 2017 - December 2017

2018

Consultancy for training building masters for the rehabilitation works in the historic libraries in Chinguetti, Mauritania, listed as World Heritage Site by UNESCO.

Entities: Chinguetti *Commune* - Agencia Española de Cooperación (AECID)

10-17 November 2018

Project Management of the construction of the water supply and sewage network for the Mhamid el Ghizlane *ksar*, Morocco

Technical project for the construction and work on site of the basic sanitation network. Improvement of the living conditions of the inhabitants at the Mhamid Ksar.

Funding: Club Rotary Madrid Serrano

April 2018 - September 2018

16th Earth building and architecture workshop. Documentation and restoration of the main entrance to the *ksar* Akedim, El Khorbat, Errachidia, Morocco

Building techniques: *adobe* (mud bricks), *pisé* (rammed earth) and mud finishings.

August 2018

Technical project and management of the rehabilitation works in the historic libraries in Chinguetti, Mauritania, listed as World Heritage Site by UNESCO.

Entities: Chinguetti *Commune* - Agencia Española de Cooperación (AECID)

March 2018

Consultancy for the enhancement of the traditional architectural heritage of the Oasis of Siwa, Egypt.

Entity: Fundación LabOasis

February 2018

15th Earth building and architecture workshop. Documentation and restoration of the women's mosque and the main street of the Rgabi *ksar*, Mhamid, Morocco

Building techniques: *adobe* (mud bricks), *pisé* (rammed earth), mud finishings and *tadelakt*.

January 2018

2017

Participation in the seminar: *Historical and cultural heritage: a social and economic issue* in Agadez, Niger.

Entity: Embassy of Spain in Níger

December de 2017

Technical Consultancy for the Project: "Improving the Conditions of Preservation of the Historic Libraries in Chinguetti, Mauritania, listed as World Heritage Site by UNESCO.

Entity: Agencia Española de Cooperación (AECID)

December 2017

Technical Project of the water supply and sewage network for the Mhamid el Ghizlane *ksar*, Morocco.

Technical project for the construction of the basic sanitation network. Improvement of the living conditions of the inhabitants at the Mhamid *ksar*.

Funding entity: Club Rotary Madrid Serrano

March 2017 - December 2017

15th Earth building and architecture workshop. Documentation and restoration of the women's mosque and the main street of the Rgabi *ksar*, Mhamid, Morocco

Building techniques: *adobe* (mud bricks), *pisé* (rammed earth), mud finishings and *tadelakt*.

Collaborating Entities: Archiam Centre - University of Liverpool, United Kingdom

April 2017

2016

Basic Project of the water supply and sewage network for the Mhamid el Ghizlane *ksar*, Morocco.

Project for the construction of the basic sanitation network. Improvement of the living conditions of the inhabitants at the Mhamid *ksar*.

Funding entity: Club Rotary Madrid Serrano

November 2016

13th Earth building and architecture workshop. Documentation and restoration of the interior space of the main gate of the Rgabi *ksar*, Mhamid, Morocco.

Building techniques: *adobe* (mud bricks), *pisé* (rammed earth), mud finishings and *tadelakt*.

October 2016

12th Earth building and architecture workshop. Documentation and restoration of the third gate of the entrance to the Ouled Driss *ksar*, Mhamid, Morocco.

Building techniques: *adobe* (mud bricks), *pisé* (rammed earth) and mud finishings.

Collaborating entity: Indus University of Ahmedabad, India

May 2016

11th Earth building and architecture workshop. Documentation and restoration of the Front of the main gate of the Rgabi *ksar*, Mhamid, Morocco.

Building techniques: *adobe* (mud bricks), *pisé* (rammed earth) and mud finishings.
