Objectives and Results:

Objectives: Organizing a comprehensive festival with the theme "eco & green", outdoor sports, cultural activities and entertainment with games, music and a variety of interesting elements for three special days.

Results: Introducing the target group aged 20-40 with the activities of our partners, integrating them with each other and creating opportunities for their interaction with the sponsors of this festival. Also, creating a partnership based on the same goals and long-term mutual cooperation, in anticipation of other events.
