

is a youth-led, SDG-oriented social enterprise empowering everyone to study and volunteer in their dream institutions.

Problems

1

Many ambitious Arab Youth want to **study** in prestigious educational institutions in order to get quality education.

2

Many promising Arab Young leaders want to **volunteer or Work** nationally and internationally in NGOs, and UN entities or **attend** leadership programs, exchange opportunities, or fellowships in similar organization in order to achieve the 2030 agenda.

However, they **are lacking the knowledge** about the available suitable opportunities for them, and they couldn't fulfil the requirements for those opportunities such as getting high scores in **IELTS & TOEFL, writing good motivational letter & CV, interviewing skills, and other requirements.**

Special dietary requirements:	no 5
Preferred room type:	a single 6
Interests:	the 7
	badminton

Online Educational courses and mentoring sessions to allow students to apply for educational scholarships and exchange opportunities.

2

Interactive edutainment-based workshops to make it an enjoyable informative journey for them and empower them to network with each other.

3

Developmental programs about 17 Sustainable Development Goals by United Nations, in collaboration with local and large entities that meet our values.

Empower hub's vision:

“People who are closest to pain should be closest to power, so we should empower the most vulnerable among us because everyone deserves equal protection and prosperity”

Empower Hub's Goals: We want to

- Strengthen the technical and language skills of unprivileged youth.
- Help marginalized youth explore different careers that aren't supposed to be for them.
- Help unprivileged youth know how to start their social enterprises and initiatives or work individually with multinational companies remotely as freelancers.
- Empower marginalized youth to get scholarships and other learning opportunities in prestigious educational institutions.
- Make a community where we gather all people from different backgrounds, experiences, and beliefs to support each other as they have the same interests and passions.

Empower Hub's Collaborations:

1. Medical Career Development with The United States Embassy.
2. California Activity Club with The United States Embassy.
3. Women Leaders Hub with Women Deliver.
4. Climate leaders Hub with Woman Deliver.
5. Teach leaders Hub with the Next Coder's society.
6. Youth Voices with the British Council.
7. Gender & Climate Guidebook with the British Council.

Leaders: 60

Volunteers: 30+

Awareness campaigns: 5

Facebook group: 28k+

Main Beneficiaries

We target adolescents and young leaders aged **15-30 years old**, mainly from Egypt and generally from the Middle East, who seek **good education opportunities** and/or are interested in **Sustainable Development Goals and 2030**

Agenda.

We mainly focus on specific communities or segmentations, such as:

1. **Youth from blue-collar families who have low access to good education.**
2. **Students who seek scholarships and need guidance through the process.**
3. **Females who suffer oppression and/or any kind of misogyny within their family or work environment, and are seeking better living opportunities.**
4. **Brilliant advocates for SDGs who need a safe space to spread awareness and contribute to the 2030 Agenda with guidance and mentorship.**
