

Spreading
Kindness

Rashet Kheir is a Lebanese non-profit organization that was founded in 2020 and is registered at the Ministry of Interior under the number 699.

Our organization is built around four pillars: Community, Personal and Professional Development, and Art & Culture.

Our innovative programs empower people of all ages and backgrounds while focusing on youth and women. We strengthen community ties, support personal growth, and provide access to resources for skilling and professional development.

Our Art & Culture pillar promotes creativity, diversity, and healing through artistic and cultural activities.

Our goal is to create a cohesive community that nurtures individuals to prosper and create meaningful change.

Our Vision

At Rashet Kheir, we envision a more inclusive society where individuals can realize their full potential and make meaningful contributions to a socially responsible, economically inclusive, and sustainable future. Our vision includes:

- Providing equal access to **mental health support** for all individuals
- Offering access to **education, vocational training,** and personal growth opportunities
- **Empowering individuals** from diverse backgrounds and circumstances to reach their full potential
- Creating a **socially responsible** and sustainable community through our programs and initiatives.

Our Mission

We aim to empower marginalized communities in Lebanon through arts, culture, education, vocational training, and personal growth opportunities that promote mental health and well-being.

Our mission is to foster a more **inclusive society** where individuals can reach their **full potential** and **contribute** to a socially responsible, economically inclusive, and sustainable future.

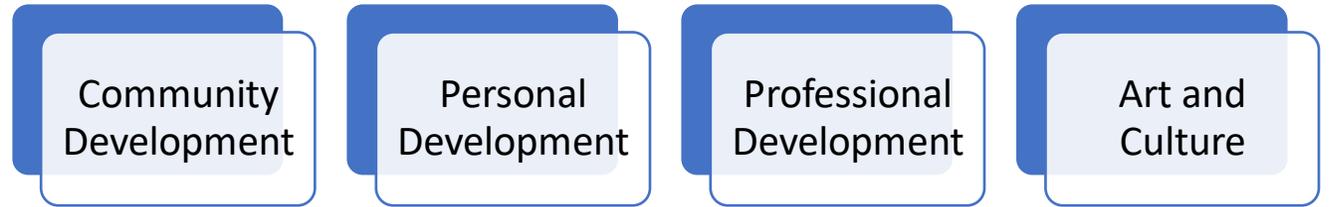

Our Values

- **Kindness:** Rashet Kheir believes in the power of kindness and strives to create a community that is supportive, empathetic, and understanding while promoting social responsibility and working to inspire others to do the same.
- **Empowerment:** Rashet Kheir values empowering marginalized communities and individuals to take control of their lives and achieve their full potential. We aim to build a Heterogenous community which embraces gender freedom and is inclusive to disability.
- **Creativity:** The organization values creativity and innovation as essential tools for personal growth and community development.
- **Respect:** Rashet Kheir promotes respect for oneself, for others, and for the environment, recognizing that these values are essential for a thriving community.
