#### STRUCTURE AND MANAGEMENT

SFERA International has every year a General Assembly where the board is changing and are bringing the yearly program of project planned for the next year. Regarding the structure, it is not changing a lot as we have set a good working team. The management is experienced which we are bringing the key persons below.

The human resources of SFERA organization consists of staff, interns and volunteers that help bring SFERA, as an NGO organization, to be more active in local and international projects. All people involved in the organization have the skills and expertise needed to be involved in future activities, youth work in the community. The organization consists of decision makers who focus on development, youth, local, national, and international initiatives. Below are some of the key members of the organization who focus on the organization engagement, programs, and development.

 **Milcho Duli** is the President and one of the founders of the NGO Sfera. He has more than 12 years of experience in the youth work sector and has been working hands on with the youth organization since its beginning. He has a Master Degree in Economy; however, youth work, social development, and project management are his passion. He has been active in many local and international activities organized by SFERA INTERNATIONAL which have a big impact on the local and national level of dissemination, especially in the field of education focusing youngsters develop skills and competences. On an international level, he has participated in great number of Erasmus + projects (and Youth in Action projects) as participant and trainer in more than 15 Training courses in different countries in Europe. Milcho has a very wide experience especially in the areas of non-formal and informal education, leadership, democracy, human rights, entrepreneurship and employability as his primary learning. He brought the non-governmental organization to the next level of achievement in all sectors. Sfera was awarded in the year of 2015-2018 as the Most active and popular NGO in Bitola and Most Successful NGO in Bitola in 2019 thanks to all projects and great work done in year of 2013-2014-2019.

 **Mende Sekulovski** is the vice president of Sfera International and an active youth worker in the organization with 5 years of voluntary activity in the NGO and 2 year of working experience. He has participated in over 20 youth exchanges and training courses. He is always motivated to work with the youth and learn new non-formal methods and techniques for working with them. The experience that he has had during the last 2 years on working with youth projects has made him a skilled project coordinator. He holds a Bachelor and a Master in law.

 **Katerina Popovska** is a project manager and the general secretary of Sfera International. She has been actively working with youth for about 6 years; however, she has been volunteering with SFERA organization for over 10 years. She has previous experience in working with local youth to promote and empower leadership, democracy and self-development. On international level, she has participated in over 30 youth exchanges and training courses, and has been a leader and a facilitator in over 15 youth exchanges. Throughout the years with the organization, she's gained project management and leadership skills that makes her one of the most active youth workers in Sfera. Katerina holds a Bachelor in Financial Management, and is currently working on her Master's thesis's topic "Social responsibility of companies in N.Macedonia, and the connection with the profit."

 **Evgenija Geramitchioska**, project assistant at the NGO SFERA International from 2021. At the age of 18 she was introduced to non-formal education and the NGO sector for the first time and from that moment the love for the non-formal

education has been born. Since then she was active in Sfera as local volunteer, international volunteer, she has participated in 20 youth exchanges and training courses. Her desire, passion and love are the NGO sector, working with young people, especially on topics like human rights and environment. She has education in international law and law of European Union and she is preparing her Master thesis on topic "Comparative analysis between Universal Declaration for human rights and Cairo Declaration for human rights". Apart from this she has finished Academy for human rights and she has passions for languages, especially for German language. Her desire is to travel and visit new places and she likes to read books. From the age of 18 she actively volunteered in humanitarian organizations and Sfera and she gained knowledge, skills and she is highly motivated to continue on this path and develop herself.

## OUR MISSION

NGO SFERA International – Bitola was first established as an informal group in 2007 known as "Association Young Volunteers Firefighters SFERA". In July 2009, it was officially registered as an NGO/Association in North Macedonia under SFERA International.

The organization's mission is to raise awareness and to educate communities throughout North Macedonia through non-formal education methods on a variety of topics including environmental protection, cultural awareness, healthy lifestyle, youth development, sport, art, and active participation through volunteerism in North Macedonia and Europe.

## OUR VISION
