Personal description

I'm currently working as a teacher of classical studies and writing articles, reports and literature. I always aim to upgrade my work and evolve my personal characteristics.

Skills and abilities

I can teach all the classical subjects as well as history

- I completed my studies from 2004 until 2008 in Greek literature, Ancient Greek, Modern Greek, Latin, Linguistics, Philosophy, Psychology of development, European and World History, Greek Folklore, Archeology and Byzantine literature.

Knowledge of special education – cooperation with the students – modern teaching methods – use of technology

- My studies at the University of Athens and the MEd at the University of Nicosia familiarized me with special teaching techniques and methods. I always target the inclusion and the active participation of students in the class by also using a variety of technology.

Spoken languages: Greek, English, German

- Native Greek speaker
- English Proficiency (University of Cambridge)
- German Zertifikat (Goethe Institut)

Flexibility and experience in the assessment of students

- Diagnostic tests and multimedia activities.

Curriculum organization and creation of class notes, diagrams, booklets, teaching corpus

- My experience in a lot of classical subjects helped me to understand how children can learn through well-organized teaching material.

Writing English and Greek literature and articles

- Apart from my studies at University, I have participated in literature seminars and courses. Because of that, I have developed my writing skills in both languages and at the same time I maintain a personal blog with a variety of articles.

Music studies

- From my early school years, I learned playing electronic organum and the piano. In addition, I completed my studies in theory, history and harmony of music.
- Electronic organum Degree – Theory and Special Harmony of music Degree

Accomplishments

- I have managed to include technology in my teaching courses, utilizing informal environments, making inclusive education a reality in the class.

- Because of my work experience and my studies, I can understand children's communication, psychology and desires. Thus, I have developed a great communication with the children that I have worked with.
- I use social media fluently and I have expanded my network throughout the world. I managed this because of my blogging activities. My personal blog is <https://dimitrisladikos.wordpress.com/>
- I have also managed to publish a lot of my short stories in Greek. In addition, I write stories in English and I have published two books on Amazon.com (<https://www.amazon.com/dp/B01GCDX4CY>, <https://www.amazon.com/dp/B01GEZ0HY8>)
