# YEC Conference 'Startup Europe Week Crete'

Congress about Entrepreneurship in Crete

**Startup Europe Week** was held by the official Ambassador in Crete (Chania, Rethymnon, Heraklion, Lasithi), Youth Entrepreneurship Club, as an initiative of European Committee/ Startup Europe.

The purpose of the conference is the **promotion of StartUp Europe's activities**, as well as the promotion of other local operations conducted in **40 countries** and over **200 locations through Europe**, in order to cultivate the spirit of entrepreneurship.

**The largest conference for startup entrepreneurship in Europe.**

STARTUP EUROPE  
WEEK

When:

**March 2018, 3rd Edition**

# YEC Uni Days

Talks in Universities - What I would do if I was a student?

When:

**Every Autumn**

## YEC Talks

Inspirational Talks about Innovation & Entrepreneurship.

When:

**Every Friday at 21:00,**

**at Technical Chamber of Western Crete**

# YEC School of Innovation & Entrepreneurship

(Local & Online **TBA**) - Educational Program

The **School of Innovation & Entrepreneurship** is consisted of 8 different units and it is held from October to May in **Chania**. The overall duration of the program will be **120 hours**. At the end of the school, the **100 graduates** will be ready to fulfil their true potential in order to build a **startup** and make sure it will succeed.

When:

**Running in Chania**

# YEC Business Trips

Day visits in local businesses

**YEC Business Trip** - Lyra Beer (May, 2017)

Running

# YEC Cretathlon BOOTCAMP

54 hrs Intensive Hackathon

**4 Events**

**4 x 54 hours of Hackathon**

**4 x 60-70 participants**

**4 x 10-12 teams**

**4 x 5 mentors**

**Cretathlon gives you the opportunity to pitch your idea, build innovative products & services and co-create the future of tourism, agriculture and tech industry in Crete!**

**Cretathlon's target group is youthful, 18 - 40 year-old people who are creative and interested in entrepreneurship.**

They view the world freshly, recognising challenges rather than problems requesting solutions.

When:

**TBA**

The event will take place in **Chania - Rethymnon - Heraklion - Lasithi**

## YEC Lab - BETA

The **first mission in space** from **Crete**. Specifically, our goal is to send a ship to space, which is consisted by a fully reusable structure, the course of the ship will be recorded with a 360-degree angle camera.

When:

**Launch it on April 18'**

What we have  
**achieved?**

Till **2017** the organization has **developed** more than **150 volunteers**, through its **50 actions** had direct **impact to 5,000 people** and **reached** to more than **100,000**. It's **startup network** got **1+ million** on funding.

What's **next?**

Our goal for the next **5 years** is to raise awareness and **educate** about entrepreneurship & innovation around **25.000** individuals in Crete through our **9 actions**. With the creation of a network of **100 mentors** supporting **100 startups**.
